## **Red Carpet**

Every year, the students of SSLA organise an annual year-end celebration titled the *Red Carpet*. The event combines various cultural performances by students and faculty, with an award ceremony where students are recognised for their excellence in different academic and non-academic fields in the past year. This year, the Red Carpet was held on 7 May 16.

The Red Carpet also features the much-awaited Last Lecture. The concept of the Last Lecture was popularised by Prof. Randy Pausch's book of the same name, wherein he included the last lecture he gave his students after finding out that he was fighting a losing battle with cancer. At SSLA, as the academic year draws to an end, students vote a faculty member to deliver the Last Lecture to an audience of students, parents and dignitaries. The year 2018-19 at SSLA ended with the Last Lecture delivered by Prof. Khaliq Parkar.
