Club Initiation Fest: Namesakes!**Event Coordinator** <sc.events@ssla.edu.in>

Thu, Aug 8, 2019 at 2:30 PM

To: batch2023@ssla.edu.in, batch2022@ssla.edu.in, batch2020@ssla.edu.in, batch2021@ssla.edu.in, Communications Officer <sc.communications@ssla.edu.in>, Cultural Officer <sc.culture@ssla.edu.in>, SC President <sc.president@ssla.edu.in>, Secretary SSLA <sc.secretary@ssla.edu.in>, Anurupa Ghatge <anurupa.ghatge@ssla.edu.in>

Hey everyone,

*insert monologue about how it's **that** time of the semester so we must all be excited for some reason*

It is though. I'm *ecstatic* to announce that our **fourth club initiation fest will happen from the 19th to the 23rd of August**. Now, since this is your fest we need your opinion on what the face of the fest will be. We're all aware that SSLA has a certain inclination towards numbers, when it comes to naming things (yearbook, fest, etc.). This practice is fun but four years down the line, we feel like it might be time to shake things up, at least a tad.

Batch 2023, for your reference:

Back in 2016, when we had our first initiation fest, it was called 'Ek' (the number 'one' in Hindi). Following suit, it's successor was called 'Do', and the initiation fest held last year was called 'Teen'.

I will shortly send out a poll with detailed options for fest names that might suit your fancy. This will also include the traditional name 'chaar' , in case you prefer to stick to it. **VOTE!**

Regardless of what name you guys pick, it's gonna be a rager!

Love,

Anwisha Thakur

IVy - Chapter 4

The fourth edition of the annual commencement and club initiation week called “IVy - Chapter 4” took place for a week, starting from August 19 to August 23. The week-long festivities included club activities, stalls put up by the student body, and also sports activities that took place throughout the week. Like every year, the festival is a chance for the first years to get to know the student community at SSLA and learn more about clubs and sports teams. The clubs and sports council organized cultural and sports events throughout the week which included Basketball, Lagori, Antakshari, Club Interactions and so on, which were enjoyed by all. The week concluded with SSLA's own “*Homecoming Dance*” which took place on August 23rd in the dome area.

Students taking part in the sports event “Capture the Flag”

The music club of SSLA, Bandemonium put up a performance to welcome the new students

Lovely Humans of the third floor!

As we come near to the end of this semester and closer to Diwali, it gives me great pleasure to announce SSLA's own **"Games and Gala Weekend"**. Our take on a Diwali Mela and Inter-Batch Sports and Cultural Weekend.

The events and competitions, which will take place over a span of 3 days (**October 17 to 19, 2019**), will include various club performances, stalls, a talent show (*YES! You read it correctly*) along with games like dumb-charades, musical chairs, and sports like kho-kho, basketball and much more.

With an event like this happening at SSLA on a magnanimous level, I really hope you show the clubs, organizers and the council your full support and take part in as many activities as you can. I also hope that you're as excited as I AM cause *aise chotti chotti manzilon pei aise badi badi batein humesha nahi hoti*.

I will be opening the stall signups with this email, so if you're interested in putting up a stall on the 17th, please fill-up the google form (<https://forms.gle/BSA877SSfbipu1HR9>) before noon on October 16, 2019.

You will also shortly get emails regarding Cultural and Sports Events, so stay tuned. Till then, please find the schedule for the **"Games and Gala Weekend."**

I hope to see you and your support shooting through the teesri manzil's roof!

P.S.- The Events TEAm will also be soon opening volunteer signups, so stay tuned for that too!

Till then,
Saranghae

Diwali Gala (Diwali Event)

SSLA hosted its Diwali Gala between October 17th-19th. Over the course of the three days, all batches came together to celebrate the occasion and the college was decorated with lanterns, diyas and rangolis. The first day saw the club performances, student-run stalls (earrings, stationery, food etc), and a talent show. On the second and third day, the inter-batch sports and cultural events took place. Sports events ranged from kho-kho to football to volleyball. The cultural events, on the other hand, included dumb charades, musical chairs, and tang pong. All three days were packed with energy and participation from enthusiastic students and were a great way to welcome the festival with friends before everyone returned home to be with their families for the Diwali break.

The performance put up by the dance club as a part of the celebrations

Gooooooooooooo Afternoon SSLA!

*Aaj khush toh bohot hoge tum! Diwali ka tyohar jo hai!*To add on to the excitement, I am proud to present **SSLA's Traditional Day!** 🧑🧑🧑🧑🧑🧑It will be held on **November 7, 2019 (ALL DAY LONG)** followed by a party and dinner on the same day!

This year, we have decided to keep a theme for the traditional day. And for all the desi fans out there, it is **BOLLYWOOD!** So please come back with your favorite clothes. Dress up as your favorite Bollywood actress/actor and make sure *ye jo teri nazakat hai, woh poore college meh chaa jaye aur sabko deewana karde*. Dress retro, fancy, cute, but as long as it doesn't violate the dress code, you are welcome to wear anything.

As there is no other day as a traditional day at SSLA, **12:30 classes are canceled**. *Jaa Simran jaa! Jee le apni zindagi*.

But if your professor cannot afford to cancel it, the class will happen.

BUT STILL, IT IS A FULL DAY OF FUN, PHOTO SESSIONS, AND GREAT PERFORMANCES AND ACTIVITIES.

Unlike every year, this traditional day aims at being one of a kind with club performances, surprises, games and lots of decoration/activities, fun and loads and loads of love.

Ye toh bas trailer tha, picture toh abhi baaki hai mere dost.

The final schedule and details will be sent out in the coming week, but till then do not forget to pack your best clothes when you are getting ready to come back cause *maa kasam, iss bar bada mazaa aayega!*

Traditional day sirf teen cheezon ke wajah se chalta hai ... entertainment, entertainment, entertainment ... aur ab entertainment ka dhamaka hone wale hai!

Till we meet again, HAPPY DIWALI, y'all! Hope you are having a fun time home (or wherever you are)

Tab tak duaon mei yaad rakhna!

Symbiosis School for Liberal Arts

November 8, 2019

Traditional day

Traditional Day was held on the 7th of November in Symbiosis School for Liberal Arts this year. The theme of the event was "Bollywood". The student body, dressed in their traditional attire, was welcomed into college with colourful decorations all over the floor in order to elevate the festivities. Students across all batches donned outfits specific to their tradition. Throughout the day the student body was kept busy with performances from various clubs in the college that sparked memories of nostalgia and home in the audience. Additionally, an array of stalls and photo-booths were set up to make the day even more exciting. An evening event was also held in college that consisted of a dance party. The surprise element to the event was a dance prepared by the graduating batch that left the audience in awe. The student body enjoyed themselves as they danced the night away.

The Art Club put up a Mehendi stall during the day

Red Carpet Theme Reveal

Red Carpet Theme Reveal for this year was planned on March 5th, 2020. After opening the theme poll to the student body, the student body, with a majority, voted for “Masquerade” as the theme for Red Carpet 2020. The preparation began a few days earlier, when to create hype, there were silhouettes placed throughout the campus to catch attention. Finally, on the 5th of March, the clubs along with the events team organized a treasure hunt and through their performances gave out hints of the main theme. The ultimate treasure was the theme which was revealed in the common area.

The performance put up by music club to give out hints for the final reveal

The set put up in preparation for the final reveal of the theme

The final reveal taking place after the students followed the hints given by the clubs

Dear SSLA,

Hope you're finding new things to do in quarantine.

The last few days have been difficult with finding out that physical college is **almost** done for the semester (@SuperPower 2020, still hopeful) and we know you miss your friends and faculty. Thank god for being alive at a time with video conferencing that makes it a little better. **While we are all adapting to the ZOOM life, the Student Council thought we could take it a notch higher. As inter-batch (a.k.a BYOB- Bring Your Own Batch) had to be cancelled due to the pandemic, we thought why not convert this into a virtual tournament.** With the semester ending on 12th April, we practically have a month to just sit back and relax. While this is not the most ideal situation, SSLA has taught us to Think, Evolve & Excel and this is the best there is to offer in a time like this and make use of the resources we have at our disposal.

The Student Council has ideas for a few virtual games that will be shared with you as soon as the logistics of it are clear. In the meanwhile, I would request you to write back to me or your Batch Reps with game ideas that could be played collaboratively through an online platform. (Yes, gamers you may suggest games that can be played online.)

The teams will be divided based on your batches, obviously as this is an alternative to the Inter-Batch Tournament and we would love if the faculty and admin could join us too in this Clash of Clans.

Sign-ups will be opened soon through emails from your other Student Reps but until then I hope you're excited for the first edition of the Virtual Inter-Batch Tournament and are looking forward to April.

I hope we can all coordinate to make this a success and be in touch with our batches through this. And remember, for the batches who do not win, you can blame it on the plague. Until then make full use of your quarantine time. Take care!

Warmly,
 Tejashree Bhandari

Hello all!

I hope everyone is keeping well and washing their hands! As I mentioned in my previous email, the Student Council is bringing to you *Clash of the Clans*. I'm sure just like us students, all of you are tired of this lockdown and staying at home. So here's a chance for you to catch up and have a fun time together!

The Student Council & the SSLA Sports Council 2019-20 is organizing Virtual Inter Batch starting, 27th April 2020.

Yes, we are aware that though the semester is almost over for the students, the work has only begun for you, however, we would love it if you could join us in the Virtual Inter-Batch Tournaments this year and bring SSLA closer, *virtually* and give the students a run for the first place.

The Tentative Schedule is as follows:

Date	Day	Event
27th April	Monday	Try Not to Laugh
29th April	Wednesday	Last Letter
1st May	Friday	Charades
3rd May	Sunday	Guess What
5th May	Tuesday	Scavenger Hunt
7th May	Thursday	Pictionary

And the rules for all the games:

- 1. Try Not to Laugh**
The goal of this game is to make the other batch that you are competing with, laugh. Every person on a team gets two chances to whatever they can whether it is to say a joke, or an incident or whatever works! The batch that gets the maximum laughs, wins!
- 2. Last Letter**
An extension of Atlas where we give you a random theme and you guys play so prep well!
- 3. Charades**
All teams will be playing together so sign up, it'll be fun!
- 4. Scavenger To-Do**
We have prepared a list of 10-12 tasks for you guys to complete in 20 minutes. You all can divide these tasks amongst yourselves and the team to complete all/most of them first, wins! Don't worry, the tasks have been made keeping in mind the restrictions brought down by the lockdown so everyone can participate.
- 5. Guess what!**
Every team gets to ask 10 yes/no questions to their player who would be thinking of a word related to SSLA/Viman. The word can be a name, a place, a thing, whatever they think their team will be able to guess!
- 6. Pictionary.**
Come and try out your drawing skills and have some fun!

Sign Up Sheet for all the events:
https://docs.google.com/spreadsheets/d/1OwG_uEmXrBbkozi7jaLYYjMoQiqEuB7FuvAgFZkkOeQ/edit?usp=sharing

Please, please, please do not hesitate on signing up. We really hope you do sign up and even if there are some of you who want to play but are not enough to form a whole team, we can add you to the student teams as well. I hope you are as charged up as we are!

Hope to see you online very soon :)

 Dear SSLA,

Hope you're finding new things to do in quarantine.

The last few days have been difficult with finding out that physical college is **almost** done for the semester (@SuperPower 2020, still hopeful) and we know you miss your friends and faculty. Thank god for being alive at a time with video conferencing that makes it a little better. **While we are all adapting to the ZOOM life, the Student Council thought we could take it a notch higher. As inter-batch (a.k.a BYOB- Bring Your Own Batch) had to be cancelled due to the pandemic, we thought why not convert this into a virtual tournament.** With the semester ending on 12th April, we practically have a month to just sit back and relax. While this is not the most ideal situation, SSLA has taught us to Think, Evolve & Excel and this is the best there is to offer in a time like this and make use of the resources we have at our disposal.

The Student Council has ideas for a few virtual games that will be shared with you as soon as the logistics of it are clear. In the meanwhile, I would request you to write back to me or your Batch Reps with game ideas that could be played collaboratively through an online platform. (Yes, gamers you may suggest games that can be played online.)

The teams will be divided based on your batches, obviously as this is an alternative to the Inter-Batch Tournament and we would love if the faculty and admin could join us too in this Clash of Clans.

Sign-ups will be opened soon through emails from your other Student Reps but until then I hope you're excited for the first edition of the Virtual Inter-Batch Tournament and are looking forward to April.

Symbiosis School for Liberal Arts Mail - Clash of Clans: Virtual Inter-Batch Tournament whaaaaaat?!?

I hope we can all coordinate to make this a success and be in touch with our batches through this. And remember, for the batches who do not win, you can blame it on the plague. Until then make full use of your quarantine time. Take care!

Warmly,
Tejashree Bhandari

Online Inter-batch tournament

Due to the ongoing pandemic, the sports council at SSLA had to cancel the annual inter batch event. However, to take better advantage of the digital space, the sports council organized online interbatch games, where students across batches played online games like “Pictionary”, “Dumb Charades”, “Scavenger Hunt” and so on. The online tournaments started on April 27th and went on till May 8th. As everyone was home and nestled in their beds, the games received a huge response from the student body and were enjoyed by all.
