Updated Admission Process and Timeline for 2020

Dear candidates,

For admission to SSLA you may have applied to us on www.set-test.org with the option of either **your SET score or SAT score.**

For candidates who have applied to our program via the SET test score, please read the process below:

The Admission Process this year is divided into two Phases: Phase 1: SET-WAT and Phase 2: PI

Phase 1: SET (A) & WAT. (Will be conducted on 18th and 19th June)

If you have applied to SSLA, you will have to appear for SET (A). It will be conducted over the span of two days. You may **choose any slot on these two dates** as per your availability.

Details of SET-WAT

The written entrance test will be a Non Proctored Online test. It will be divided into two sections. The **first section SET** will have objective-type, multiple choice questions. The **second section (WAT – Writing Ability Test)** will have a subjective, essay-type question.

The first section (SET) will be further divided into four sub-sections, namely, English, Quantitative, General Awareness and Analytical & Logical Reasoning. Each sub-section will have seven questions and you will have 20 minutes to answer all 28 questions.

For the second section (WAT) you will be required to respond to any one of the two subjective, essay-type questions in a span of 20 minutes.

You will be able to take this 40-minute test on a PC or Laptop with Google chrome or Firefox browser and an internet connection.

This phase of the admission process **is NOT** a qualifying phase. So, in effect, every candidate can participate in Phase II (PI) without being shortlisted for the same.

Phase 2: PI (Conducted from 21st - 30th June)

Phase 2 (PI) will also be conducted online over a video chat application. This may take about 15 minutes per candidate. The online link to join for the PI process and details will be shared and communicated to you well in advance. Our SSLA Admission team will get in touch with you for the detailed explanation of our process.

Note that you will be allowed to appear for PI only if you have appeared for SET A. The admission process mandates that you must appear for SET A as well as appear for PI in order to be considered for admission SSLA. If you are absent for either SET A+WAT or PI, your candidature will not be considered for admission to SSLA.

Online Slot booking for SET-WAT and PI for SSLA:

Online slot booking will be available between 11 June and 14 June 2020 for SET(A) on set-test.org. For SSLA PI it will commence from 13th June till 15th June 2020 on ssla.edu.in, wherein you will have an opportunity to choose the day and time for both the above-mentioned processes.

For candidates who have applied to our program via SAT scores, please read the process below:

We request you to carefully read the instructions below about the selection process you will need to go through:

You have applied only to SSLA by using your SAT Score.

Given some technical realities we are experiencing, we request you to appear for the upcoming SET (A) - WAT exam that will be conducted on 18th, 19th June. We request you to appear for SET (A) and the WAT exam which are of 20 min each (total 40 minutes).

We will ensure that in the final computation of our merit list we will only take into account your **SAT, WAT and PI scores. Your SET (A) Scores will be ignored at that point in time.**

This would be of great administrative convenience to us and will not make a difference to your selection process with us either. I hope you understand this.

Please write back to us for any questions or concerns you have at setpiwat@ssla.edu.in
