Want to make your own choice?

Advantages

- Opportunity to select University with program options of your choice
- Pick a location close to friends family and area of interest
- Location with well connected internship opportunities
- Chance to obtain scholarships
- Access to specific extra curricular activities of interest

Disadvantages

- Cost of living and tuition might not be subsidized
- Credit evaluations with SSLA would have to be verified
- Chance to complete major and minor credits from SSLA might not present within the same University.
