

**Sub Committee for Curriculum Development
Economics**

Name of Institute: Symbiosis School for Liberal Arts

Course Name: Core- Current Economic and Business Analysis

(UG/PG): UG

Credits: 4 (60 hours)

Level: 3

Course Description:

The course gives a detailed and well-reasoned picture of the economic and business environment from a global perspective, as well as one specific to India, highlighting the understanding of the economic, business and financial milieu of India. This course encourages the students to gain various performance indicators and economic tools necessary for sectoral or firm level analysis, execution of the concepts of twin deficits- fiscal and current account deficits, related to the economic challenges, to interpret the desired policy framework required.

The subject covers a variety of topics related to the global economic environment, macroeconomic overview of the Indian economy, investment climate, capital and foreign exchange market in India, sectoral and firm level analyses, and public-sector performance in the Indian economy.
