

Course Description For Foreign Languages (German) Minor Paper 5

Name of Institute: Symbiosis School for Liberal Arts

Course Name: German A2 - Paper 5

Course Code:

(UG/PG) : UG / Semester 4

Number of Credits: 4 (60 hours)

Level: 2

Course Description:

This course has been designed for students who have basic knowledge of the language. It helps the students to communicate in day to day situations in a simple and efficient way. Students learn to read, write and understand sentences and commonly used expressions.

They learn to describe hobbies and interests, leisure time activities: describing their likes and dislikes. The course teaches students about media in day to day life.

The course enables students to construct complex sentences using commonly used phrases. It helps them to undertake basic tasks in German. They are able to write about picnics, excursions,

and articles about the parts of a city. By the end of this course the vocabulary of the student is enriched.
